Olympic Flight Museum Cancels the 2020 Olympic Air Show

After thoughtful and careful consideration, and with the safety of our guests and volunteers as our top priority, the Olympic Air Show (June 20-21, 2020) is canceled. We are in constant communication with our local and municipal partners as this situation evolves. We are considering the possibility of hosting an alternative Flying event in the Fall of 2020 that would be dedicated to the COVID-19 crisis. Our mission to bring aviation history alive remains, although we will comply with the suspension of large gatherings in Washington State at this time.

We are doing our part to keep our staff and community as healthy as possible. Our thoughts are with the families and communities impacted by the COVID-19 virus. Please stay safe and healthy.
