The Olympic Flight Museum is a museum first and a site for private events second. In order to safeguard the historical significance of the museum’s aircraft and artifacts, the rental policy of the Olympic Flight Museum is strict. Therefore, we will assist you in maintaining its policies for the duration of your rental. Please **READ AND INITIAL** the attached contract information regarding rental policy, rental charges and all regulations.

PLEASE BE AWARE – There are three layout plans to choose from; the planes available are seasonal and apt to change pending weather conditions and availability.

There is no guarantee that any plane will be available at the time of your event. Poor weather conditions prevent planes from being moved from their stationary positions. This may cause your planned layout to change. A secondary layout plan with the current planes and positioning is required and will be the layout used in the event that weather does not permit planes to be repositioned.

PLEASE NOTE: We are unable to confirm a rental without a completed rental contract and deposit. No exceptions.

Types of Events

_____ All events are expected to harmonize with the character and mission of the Museum and must be approved by the Event Coordinator.

Because the Museum is an educational and charitable institution and requires protection of the objects displayed in the building itself, the Museum reserves the right to refuse to make its facilities available to a prospective renter for any use it deems inappropriate.

Layout

_____ Renters are required to schedule an appointment with Museum staff at least three weeks in advance of event to create a layout. Renters may request additional planes to be displayed in hangar at the time of their event during appointment. There is no guarantee that any plane will be available at the time of your event. Poor weather conditions prevent planes from being moved from their stationary positions. This may cause your planned layout to change.

Alcoholic Beverages

_____ If the Renter plans to serve alcohol at the event, the Museum must approve all plans and circumstances under which it is served. Renter agrees to comply with and abide by all local, state, and federal laws applicable to the serving of alcoholic beverages at its event. Renter shall be responsible and liable for all damages arising out of the use of alcoholic beverages at its event. Renter specifically agrees to take whatever steps may be necessary to ensure that alcoholic beverages are not served to minors at its event. Museum staff reserves the right to halt alcohol service and consumption. Should alcohol continue being served, Renter forfeits all deposits and must pay for any damages incurred.

Guest List

_____ Three days prior to the event, the Renter must submit the number of expected guests to the Museum. A confirmed number of guests must be submitted to Museum staff 24 hours before the event.

_____ Smoking is prohibited throughout the hangar and ramp areas. Smoking is allowed outside at the front of the museum. Any trash left on the ground and not placed in appropriate smoking receptacle will result in no security deposit refund.

Damages

_____ Any type of damage to Museum property or equipment is to be reported immediately to Museum employee at the event. Prior to such time as Renter, its agents or employees begin to use the Museum facilities, Renter, in conjunction with a Museum employee, shall complete an inventory and condition report for the facilities. At the conclusion of the event, Renter, in conjunction with a Museum employee, shall complete another inventory and condition report for the facilities. Renter shall only be responsible for any damage or loss not noted on the initial inventory and condition report (caused by Renter or Renter's guests). Further, the Renter assumes ALL responsibility of damage to any part of the facility or its contents as a result of their guest, caterer, or service professional.

Decorations

_____ Plans for décor, including fresh cut floral arrangements, table centerpieces, signs and banners are subject to the Museum's approval.

Flowers may not stay overnight. Any décor supplied from an outside source must be removed from the party area by the Renter immediately following the departure of the last guest from the Museum.

No live animals are permitted in the Museum with the exception of service animals.

Renter is required to provide drinking water. Barbecuing must be approved at the time of reservation appointment. On-site cooking must be manned at all times. There are many items that may damage an artifact or put displays at risk, therefore: the Museum assumes the right to refuse any or all items proposed on the menu.

Delivery & Storage

_____ The Museum does not provide storage for events. Delivery of any items shall be scheduled for the day of the event or the following morning, and pick-up of the items shall be scheduled immediately following. Liability

_____ The Renter shall be responsible for all injury and/or damage of any kind to persons or property (regardless of who may be the owner of the property) arising out of or suffered through any act or omission of the Renter, its employees, agents, contractors, or guests, in connection with its use of Museum facilities. The Renter further assumes the obligation to indemnify and hold harmless the Olympic Flight Museum, its trustees, officers, agents and employees against any and all damages, claims, expenses, or other liability due to personal injury or death, or damage to property of theirs, arising out of or suffered through any act or omission of Renter, its employees, agents, contractors or guests, in connection with its use of Museum facilities. Further, the Renter assumes ALL responsibility of damage to any part of the facility or its contents as a result of their guest, caterer, or service professional. The Museum is not responsible for Acts of God including extreme high or low temperatures, winds, flooding, earthquake, tornado, hurricane, lightning, power outage, fire, terrorism or any unknown circumstances or acts beyond Museum control. In the event that any such circumstances occur, the refund policy will remain in effect. Renter is responsible for supplying one (1) chaperone for every twenty 20 guests seventeen (17) years of age and younger. All events must comply with the rules and regulations of the Olympic Flight Museum and all city and state laws.
